IDD AEROSPACE FINALIST FOR 2009 SEA OPERATIONAL EXCELLENCE AWARD

Redmond, WA (December 7th, 2009) - IDD AEROSPACE, a Zodiac Aerospace Company, has been named a Finalist for the aerospace industry's prestigious 2009 SEA Operational Excellence Award. This award recognizes a Lean Manufacturing implementation with emphasis on how a company sets and reviews priorities for Kaizen events, implementation of 6S Visual Workplace, continual reduction of changeover and setup times, as well as improving material management in support of Lean and flow manufacturing objectives.

"In the past year IDD Aerospace has reinvigorated our journey in Lean Manufacturing and our customers and employees are enjoying excellent results due to our commitment to continuous improvement." said Michel Labarre, President and CEO of IDD Aerospace. "We're proud that our efforts have been positively recognized by both our customers and our industry peers."

The Supplier Excellence Association (SEA) is an alliance of leading aerospace, defense and space primary suppliers and subcontractors whose purpose is to accelerate the development of supply chain capabilities in order to ensure American competitiveness.
